**Our 2008 American Chinese Crested Club**  
**Regional Specialty Sweepstakes Judge**

Showing dogs for me started when a friend of the family began showing our dogs. That was in 1995 when I was eight years old. I am twenty now. It seemed like a cool thing to do so I went to classes with my mom's Borzois. They were a little big for me so I switched to a whippet. Still too big.

I got my first Chinese Crested in 1998. Cresteds were just right. I also went to the National that year in San Diego and was lucky enough to meet Steve Kelly who has given me great tips throughout the years.

My mother Lynn Coppage was a positive influence on me. She "home schooled" me in Cresteds and I finished a lot of her dogs. She taught me about breeding and raising dogs. Our puff, Prudence, taught me about patience when she chewed her coat and I had to wait for it to grow out to get her championship.

I became very involved in the Junior Handler program. It is a good environment to learn a lot about showing . I have super friends from that program like Sydney Murdock and Nicole Baldwin. I cheered them on when they won and they were very supportive to me when I won Best Junior Handler when I was eighteen.

I joined the Chinese Crested Club of the Potomac and currently serve as Vice President. In going to many specialities and nationals throughout the years I found I have a talent in getting vendors to donate to raffles and trophies. I enjoy being able to contribute to the breed in this way.

So many people have helped me in this: my first ten years. Thanks to Leslie Gould and Pat Bickerstaffe who taught me a lot about grooming. And to Eleanor Groves, Jane Ayers, Shar Wong and Julie Wells who continue to teach me so much about health issues of the breed, grooming, movement and structure. and anything else that I need help with.

FaeryDreamer Chinese Cresteds is my kennel and my dream come true. I now live in North Carolina under the great mentorship of Judy Umeck. My goal is to work for the benefit of our wonderful breed and continue to learn as much as I can. And to always lend a helping hand to the Junior Handlers coming up. I am so honored to be chosen to judge Sweepstakes at this year's Nationals.

**Our 2008 American Chinese Crested Club**  
**National Specialty Sweepstakes Judge**

First I would like to express my Gratitude to the ACCC members and Friends for the honor of Judging your National Sweepstakes. I am looking forward to Judging such a wonderful Breed that I have been involved with for 11 years. My involvement with dogs started in Early 1969 with Afghans. I Bred and Co-bred many National Specialty BIS and Specialty BIS and All Breed BIS winners in both our Dogs and Bitches. I just got my 45th Champion Afghan a few weeks ago. I also had 2 Top 10 IG Bitches that did well. I also had Bred and owned Saluki's. I started watching the Cresteds and was taken by their looks and at that time about 13 years ago I was looking for a different Breed that I could show without having to run as I was starting to have feet problems and just plain couldn't run anymore. I started watching them at the shows and trying to learn a much as I could about the Breed. I looked for almost 2 years and went to my first Nationals in San Diego and there I came home with my first Crested. He finished quickly and soon I had my 2nd Crested. That was my Pia which became Best In Show CH.Jewels Pia Izadorable which is the love of my life. I then retired Pia and showed a little Puffer girl that I Bred by the name of CH.Kulana's The Black Dahlia (Dolly). Dolly became a multiple Group winner and also was a Number 1 bitch. Dolly retired at the California Eukanuba by going BOS and Best Bred By. I then came out with Bravo....Multiple Group Winning CH.Kulana's Standing Ovation. The first year we Specialed Bravo he ended that year number 2 Crested and the following year he was number 4 and then retired 1-1/2 years ago as the number 8 Crested. I also Bred Ch.Kulana's Dusty Rose who was Pedigree's Top Champion Producing Dam in 2004. Rosie just got her 10th Champion offspring. I am now enjoying being back in the classes. After Judging Sweeps at the Nationals my plans are to apply for approval to Judge Cresteds, Afghans and Saluki's. Thank you again for the opportunity to Judge our Nationals.  
Sincerely,

Darlene Anderson - Kulana Cresteds

**National Specialty Show Junior Showmanship Judge**

"Mr. Entsminger first became involved in the sport of dogs at the age of seven, when he received his first purebred, a Dalmatian. Over the years he has participated in both obedience and agility events, and eventually found his home in the world of conformation. In 2001 he received his first Chinese Crested and quickly rose to the top of the Junior Showmanship rankings. In 2003 and 2004 he was the Pedigree Top Junior Handler in the breed and ranked in the top-twenty Toy Group Juniors both years. After "aging out" in June of 2005, Mr. Entsminger became an AKC approved all-breed Junior Showmanship judge and has continued to work as a mentor and coach to juniors in his area. He is a senior at the University of Nevada, in his native hometown of Reno, and is majoring in both French and Agricultural and Applied Economics with an specialty in Foreign Affairs and International Agricultural Trade and Development."

Dr. Wysaski graduated from Washington State University College of Veterinary Medicine in 1971. In 1971 she put her first obedience title on a dog. In 1973 she finished her first champion. In 1991 she put her first tracking title on a dog, in 2000 she put her first agility title on a dog, and in 2005 she put her first Rally title on a dog. She has been devoted to raising, training and exhibiting Bulldogs for lo these many years.

**Ms. Patricia L. Maynard**  
**Our 2008 Chinese Crested Club**  
**National Specialty Obedience Trial Judge**

I'm Pat Maynard and I have been judging obedience (and now rally) since 1987. And for those of you who think your breed is difficult to train. . . my original Utility Degree was on a male Akita!

I live in Longmont, Colorado with my significant (Jeff), 2 Australian Terriers and 1 Golden Retriever. I compete in conformation, obedience, rally and agility. I also enjoy yoga, skiing and American Kenpo Karate. And I have a great job as a massage therapist!

With my canine partners and one human partner, I have a non-profit, Paws 4 Responsibility ([www.paws4responsibility.org](http://www.paws4responsibility.org)). Our two main programs are presenting Responsible Pet Ownership to elementary school children (very creatively . . . my Golden even plays basketball); and our Pawsitive Reading program. We have begun to take registered therapy dogs to elementary schools for selected students to gain extra one-on-one time reading to the best listeners, "their" canine therapist. And we are at the Longmont library one Monday evening/month for one-on-one drop-in reading.

**Mr. H. Joe Kahre**  
**Our 2008 American Chinese Crested Club**  
**National Specialty Judge**

I found it interesting when I realized that exactly 20 short years ago I was attending my first National Specialty. I had been showing a pet Dalmatian bitch at local shows and had just obtained my first "real" show puppy. I remember sitting in awe watching breeder judge, Bill Fetner of the famed Coachman Kennels Reg., sort through a group of Dalmatian specials that were arguably some of the strongest examples of the breed in breed history. I reflected on my days of 4H and FFA exhibiting dairy cattle, of competing in judging competitions, and of making a placement in the nationwide Hoard's Dairyman judging contest. It was the same concept, just with a different kind of animal.

That day I fell in love with, and found myself rooting for the great CH Fireman's Freckled Friend, "Spotty", who DID go on to BOB that day for his fourth National Specialty Win. He was, and still is the epitome of the Dalmatian breed in my eyes. I went home and actively began developing a breeding program that revolved around that Great Dog. Four years later I

found myself with a lovely daughter of his in the BBE class at the National. She was CH Encores Do Re Mi, "Dory". I adored this girl, so when the judge pointed her finger at her for Winners Bitch I was ecstatic. The thrills that Dory gave me that day, and in our future years together was more than I could have ever asked of her. Her last time in the ring garnered a huge Veterans win at the National at the age of 10 years. She was that special once in a lifetime dog to me and will always hold a very dear spot in my heart.

I soon found myself adding a lovely Boxer bitch puppy, Debut's Private Eyes, to our home. CH. Betsy would become a multiple specialty winner, produced multiple specialty winning get, and gave me my Breeder/Owner/Handled Group winning CH Encores Rock Solid. I still enjoy his kids and grandkids in and out of the ring today.

With my main canine energies now being with the Chinese Cresteds I remember the growth, lifelong friends I've made, and things I have enjoyed from my initial breed of Dalmatians, Boxers and now with Cresteds. Through the years I have worked to breed and exhibit animals that display soundness of body demonstrated through correct, well balanced movement, display a soundness of the mind, and exude breed type under the prefix of "Encore Reg."

As I prepare for this judging assignment before me I remember fondly that life altering specialty 20 years ago. I remember looking at Mr. Fetner in awe of the honor the breed had bestowed on him in the evaluation of their breeding stock at the National Specialty. I remember thinking of the responsibility he had to the breed in this capacity. I remember wondering if ever I would be at a position in my dog career to have such an honor placed upon me. I remember the many great dog people that have mentored me along the way imparting wisdom beyond comprehension. To them I am forever grateful and indebted!

I hope and pray that as I take on this judging assignment my evaluations move our breed forward. I thank you, my fellow breeders for the honor you have given me to judge our National Specialty and I thank the many people who have worked countless hours to make it happen. In closing I must mention a special thank you to R. P. Zemke of the then, Reicrist Dalmatians and now Reicrist Chinese Cresteds, for noticing me watching at the first dog show I ever attended and going out of his way to talk to me and encourage me to step forward into the world of Dog Shows. Thanks Ron!

Sincerely,  
H. Joe Kahre

## AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of the sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- **Sportsman respect the history, traditions and integrity of the sport of purebred dogs.**
- **Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.**
- **Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.**
- **The sportsman judge judges only on the merits of the dogs and considers no other factors.**
- **The sportsman judge or exhibitor accepts constructive criticism.**
- **The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something else.**
- **The sportsman exhibitor refuses to compromise the impartiality of a judge. The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.**
- **Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of the competitors.**
- **Sportsmen welcome, encourage and support newcomers to the sport.**
- **Sportsmen will deal fairly with all those who trade with them.**
- **Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of his breeding stock.**
- **Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.**
- **Sportsmen always consider as paramount the welfare of their dog.**
- **Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.**
